Media Alert: Schedule your meeting with Saltwater Stone clients at DSEI 2023

Saltwater Stone's clients are exhibiting at this year's DSEI show. We are pleased to offer one-to-one stand meetings during the show at your convenience.

We request that you email the relevant Saltwater Stone PR Executive stating the client you are interested in and your preferred time and day for an interview. We will then schedule the meeting. In this way, we hope to ensure that you will not have to wait for a company representative to become available.

GREENSEA IQ – Stand H5-536

About: Greensea IQ is a dynamic company born from the merger of industry leader Greensea Systems, Inc. with affiliates Armach Robotics, Inc. and Bayonet Ocean Vehicles, Inc. By combining forces under a single brand, Greensea IQ brings together an unrivalled suite of intelligent software solutions, cutting-edge robotics as a service, and seamlessly integrated systems tailored for defence, renewable energy, unexploded ordnance mitigation, scientific collaboration, and sustainable maritime transportation worldwide.
