Innovation Marine Corporation is the Latest Mastry Suzuki Repower Center

ST. PETERSBURG, Florida (April 16 2020) – Mastry Engine Centers announced today that their latest authorized Mastry Suzuki Repower Center is Innovation Marine Corporation in Sarasota, Florida.

“We are thrilled and delighted to welcome Innovation Marine Corporation as the newest member to join the network of Mastry Repower Centers. Their reputation and commitment to quality service makes them an ideal partner,” stated Kevin Carlan, Mastry Engine Center’s President.

Innovation Marine Corporation, conveniently located at 8011 15th Street East Sarasota, Florida, has been servicing the Sarasota area's marine customers for four decades.

"Becoming an authorized Mastry Suzuki Repower Center, we have even more opportunity to serve our marine customers," said Scott Yow, Director of Administration, Innovation Marine Corporation. "Our entire team is proud to be associated with the industry's most innovative and experienced network of professional Suzuki Repower Centers."

A proven player in the global high-performance boating sector, Innovation Marine Corporation is a full-service marine facility serving its customers with the area's most experienced and expert team of factory authorized technicians. It was founded in 1983, with two employees and one 3,600 sq. foot building, and has now grown to over 30 employees and a new 28,000 sq. foot building.

"As the area's official Mastry Suzuki Repower Center, Innovation Marine Corporation understands that repowering a boat isn't simply swapping out your old outboards for new outboards. It takes advanced skills, thoroughly factory trained technicians and exceptional experience," explained David Taylor, Sales and Marketing, Suzuki Repower, by Mastry Engine Center.

About Suzuki Repower, by Mastry Engine Center

Suzuki Repower, by Mastry Engine Center, offers the industry's most innovative and dependable outboard propulsion systems, Suzuki Marine Outboards. Suzuki's dedication to creating the finest 4-stroke engine technology has made them unmatched in marine outboards. The result is the industry's largest and most formidable all-4-stroke lineup. From the mini-might 2.5 horsepower portable right up to the new flagship V6. Add to that, Yanmar Mastry Engine Center has been supporting the marine industry for over half a century, helping boat builders, boat dealers and retail customers find the perfect engine packages designed to best fit their needs and not stretch their budget.

Suzuki Repower, by Mastry Engine Centers, are stationed throughout Florida assisting customers with Suzuki service and propulsion needs. Their highly experienced, factory trained technicians use only genuine Suzuki rigging, parts and controls. All installations are water-tested to be sure the motor(s) are rigged correctly, at the proper height and they are propped perfectly for superior performance. In addition, Mastry offers the option of a financing program that is not linked to your boat title.
