Karpaz Gate Marina Announces Exclusive Southampton Boat Show Offers

Southampton International Boat Show 2019, 13th - 22nd September, Which Marina Stand J150

Karpaz Gate Marina in North Cyprus has announced its exclusive boat show offers for visitors to its Stand J150 at Southampton International Boat Show.

Showcasing its outstanding focus on flexible berthing for clients and its extensive on-site technical facilities, the Five Gold Anchor-rated marina is

offering extra incentives for boat owners to choose the Karpaz peninsula destination as a safe and secure home.

Anyone who visits the stand will be entitled to benefit from three special deals in addition to the usual range of premier packages and services available at Karpaz Gate Marina, as follows:

- **EASY COME, EASY GO:** Offering unique flexibility within an annual contract, boat owners can suspend their contract three times for up to a month to make time to explore the East Mediterranean and visit other marinas. The berth will be kept secure and ready for the owner's return, with no fees due for the period they have been away.
- **WE CARE FOR CATS:** Karpaz Gate Marina's specific services for catamarans ensures owners can secure the perfect home for their boat with bespoke berthing rates per square metre. The on-site 300-ton travel lift can cater for boats with a beam of up to 10 metres and the Technical Centre meets demand for a range of repair and maintenance requirements.
- **THE ENGINE IS ON*:** In a special annual Winter Engine Package, boat owners receive a complete free engine system check-up at the full-service Technical Centre, plus a free lift-out and special discounts on anti-fouling and 21 days' hard standing. The service package, which includes workmanship only, not spare parts, includes: oil filter replacement, fuel filter replacement, impeller replacement, oil replacement, belt replacement (if required), cooler cleaning, water pump check, engine and engine room cleaning.

Karpaz Gate Marina caters for yachts up to 60m, with leisure facilities including the exceptional Karpaz Gate Marina Beach Club, with 33m infinity pool and watersports centre, Private Gallery Club, gym, children's play area and Hemingway's Resto-Bar. Whether on an annual contract or visiting for a short period, owners can take advantage of a range of maintenance, repair, carpentry, mechanical and electrical services available at the marina's on-site boat yard. The technical team deals with individual requests in addition to supplying standard options, including: engine and reduction gear servicing, rudder system servicing, navigation equipment servicing, electrical works, teak and wood works including deck repair and replacement, yacht painting, hull repairs, anti-fouling (including Coppercoat application), polishing and

varnishing.

Karpaz Gate Marina offers both Eurodiesel and Gasoline at its on-site fuel station at a significantly lower cost compared to other countries in the region, enjoying the attractive north Cypriot fuel prices. The additional advantage of the marina's duty-free status then provides an even greater saving to foreign registered boats' owners.

With the opening of its on-site luxury boutique hotel, hammam and spa in the spring of next year, Karpaz Gate Marina and North Cyprus are set to become an even more desirable destination for boat owners to visit for short-term stays and consider as their home port.
