Karpaz Gate Marina has duty-free status and is a Port of Entry.

Boat owners who have stayed at Karpaz Gate Marina in the past year have praised the facilities and staff.

Chris Tarmey, owner of 12m motor yacht Christiana:

“We over wintered our motor yacht Christiana in this lovely marina on the quiet and peaceful Karpaz peninsula. We found it to be very pretty and well-appointed, with great facilities, Beach Club and restaurants, and also a large travel lift. The prices are very good and there are some beautiful beaches nearby to visit.”

David Slagel, owner of 30m Jongert sailing yacht Impression:

“Karpaz Gate Marina and the surrounding area is a brilliant place, with lots of positives. We have cruised all around the world and Karpaz Gate Marina is one of the nicest marinas we have visited. It has great facilities, and the waters in the surrounding area, even in the marina, are crystal clear. The marina staff are very friendly and helpful. It is close to a selection of restaurants, which are very good value, and interesting archaeological sites.”

Antonio Fuster Juarez, owner of 14m sailing yacht Seabel Tres:

“I've had my sailboat in Karpaz Gate Marina for a year, taking advantage of the free offer for the anti-fouling and dry dock stay. I have also had the

annual review of the mechanics of the boat carried out. Everything has been very satisfactory, including the attention of the marina staff, and the excellent facilities and services. When I return to Cyprus, it will certainly be at this marina.”
