## **Karpaz Gate Marina: Karpaz Gate Marina Announces 2018 Berthing Benefits**

*Award-winning marina's unique packages and full-service capabilities are attracting increasing numbers of boat owners to new sailing destination North Cyprus*

Karpaz Gate Marina in North Cyprus has announced its 2018 berthing campaign as it strengthens its status as one of the East Mediterranean's leading full-service facilities.

Celebrating its most successful season since opening six years ago, the Five Gold Anchor-rated TYHA International Marina of the Year 2017 is stepping up its mission to draw more sailors to North Cyprus with a range of unique packages, incentives, and attractive servicing and berthing rates.

Effective from the end of 2017 and for 2018, annual berth-holders who renew their contracts will now be rewarded with a special renewal discount on the published yearly rate.

The marina is also extending a unique and popular package for boat owners offering free haul out, hull wash, anti-fouling application and 14 days hard standing included in the annual price. Alternatively, annual berth holders can choose the option of up to a 40% discount instead of the haul out.\*

Additional VIP packages include a Frozen Contract, which offers discounted annual mooring with the right to freeze an annual contract for up to 3 months at one time only during the contract period. Special care, winterising and de-winterising packages are also offered to check equipment and clean exterior and interior areas in the owner's absence.

Deniz Akaltan, Karpaz Gate Marina Harbour Master, said: "We believe our 2018 packages and rates provide outstanding value for money for the full-service capability, stunning location and attention to detail we can offer our berth-holders. We are a one-stop shop for boat owners, with a capable technical service centre, safe and hassle-free mooring, 24/7 security and first-class leisure facilities, all set in an untouched and peaceful location on the Karpaz Peninsula. We are really excited to welcome old friends and new clients to Karpaz Gate Marina next year."

Available to view now on [www.karpazbay.com](http://www.karpazbay.com), the 2018 berthing and services rates offer boat owners exceptional value for money for annual and short-term mooring and technical work throughout the year. In addition, special summer and winter campaign prices are available on request. Before any special campaign discounts, an annual berth at Karpaz Gate Marina for a monohull boat with an LOA of 12m to 14.99m will cost €3,741 with the free haul out option, while a one-year berth for a boat between 15m and 17.99m is priced at €6,880. The marina also offers special rates for catamarans and can safely haul out boats up to 10.5m beam.\*

Tax-free Karpaz Gate Marina is ideal as a low cost, long-term base for all

yacht owners seeking a safe, secure home for their boat in the East Mediterranean. The marina is also an unmissable destination for a short to medium-term visit for boat owners from nearby Turkey, and for sailors or charter companies cruising in the region who are interested in exploring the beautiful Karpaz Peninsula and other North Cyprus attractions.

In addition, the first modern marina in North Cyprus and official Port of Entry offers a convenient facility for boat owners in the region who require repair or maintenance work to be carried out or who need to fill up with fuel. The boatyard features a 300-ton capacity travel lift and 18,000 square metre dry dock and can execute or organise any scope of project and specialist work.

Karpaz Gate Marina caters for yachts up to 60m, with leisure facilities including the exceptional Karpaz Gate Marina Beach Club, with 33m infinity pool and watersports centre, and Hemingway's Resto-Bar.
