Karpaz Gate Marina Wins Industry Award

North Cyprus destination is recognised again as one of the world's best marinas in The Yacht Harbour Association's Marina of the Year Awards

For the second time, Karpaz Gate Marina in North Cyprus has been named among the world's most popular Gold Anchor-accredited marinas with recognition in the prestigious The Yacht Harbour Association's (TYHA) Marina of the Year Awards 2018/19.

Decided by the votes of berth holders and boat owners, the full-service 300-berth marina on the island's stunning Karpaz peninsula was selected as

Runner-Up in the International Marina of the Year category.

The award reflects the high level of customer satisfaction achieved by 5 Gold Anchor-rated Karpaz Gate Marina during the past year due to the exceptional standard of its facilities and services, and the exclusive experience created by the unique North Cyprus location.

TYHA Marina of the Year Awards 2018/19 was open to all Gold Anchor accredited marinas both in the UK and overseas, with customers invited to select their favourite marina within five different categories.

The honour arrives at the start of an exciting year for Karpaz Gate Marina, with construction just underway on a boutique hotel and spa overlooking the marina, set to open by spring 2020.

Liza Singer, Karpaz Gate Marina Managing Director, said: “To receive recognition again in the Marina of the Year Awards is a huge accolade for Karpaz Gate Marina because it proves we are maintaining the highest standards for our customers. The pleasure and satisfaction of our clients are the most rewarding aspects of running the marina, so we are honoured and thankful that our berth holders have provided such positive feedback. The award is the result of the hard work and dedication of the marina team who every day go above and beyond their duty to make sure the needs of all our customers are met and exceeded. Since our previous award win in 2017, we have continued to work on strengthening the services we offer, making sure all our facilities are first class, with particular emphasis on enhancements to our Technical Centre.

“We are especially pleased to gain this support now as we embark on the next stage of expansion with the development of the Karpaz Gate Marina luxury boutique hotel and spa, to open by spring 2020. Over the past eight years, our aim has always been to deliver outstanding leisure and technical facilities and services, while introducing this piece of heaven on earth to more sailors and boaters. We hope that this new award will encourage more sailors and tourists from all over the world to come and experience Karpaz Gate Marina and North Cyprus for themselves.”

Representatives from Karpaz Gate Marina will receive their award at a special presentation ceremony at British Marine’s 2019 Marina Conference in Bournemouth on April 24th.

Winner of the International Marina of the Year for 2017, Karpaz Gate Marina has held 5 Gold Anchors, one of the highest accolades for service and operational standards available in the industry, since 2013.

Harbour Master Bahadır Gökçetekin added: “It has been another outstanding year for Karpaz Gate Marina so this award voted by our clients is great motivation for the whole team to continue working hard. From the feedback I hear from our guests, I am confident that we now offer the full package, ranging from premier berthing services, safety and security for all sizes of yacht, to five-star leisure facilities and a stunning location. I am particularly proud to lead our Technical Centre team that can now meet demand for almost any request, from maintenance work, to hull painting, carpentry work and teak replacement.”

Official Port of Entry Karpaz Gate Marina caters for yachts up to 60m, with leisure facilities including the exceptional Karpaz Gate Marina Beach Club, with 33m infinity pool and watersports centre, Private Gallery Club, gym, children’s play area and Hemingway’s Resto-Bar. The full-service offering is completed by the Karpaz Gate Marina Technical Centre, which continues to expand.
