Sika's Product Finder App

Jul 05, 2016 12:39 BST

## Sika Limited: Latest Sika Product Finder App Now Available for Download

Featuring the full Sika product catalogue at the touch of a button, the handy app offers an in-depth guide on how to choose the best product for marine sealing or bonding work and invaluable advice through the application process.

Developed in-house by Sika AG, the Sika Product Finder App is an invaluable tool for end-users such as boatbuilding professionals and DIY enthusiasts, helping them decide which products to use based on the substrates they will

be applying to and environment in which they are working. A comprehensive 'How to' section guides them through the how to apply the product correctly from surface preparation to finish.

As a global leader in the manufacture and supply of chemical based products for construction and industry, Sika's marine sealants and caulking products are a firmly established favourite among boat builders and DIY enthusiasts and renowned for their effectiveness. The Sika Product Finder App is designed as an educational tool for users ensuring that they achieve the best possible results.

The latest version (2.4) of the Sika Product Finder App is available via the Apple App Store or Google Play. Alternatively visit <http://gbr.sika.com/en/group/media-centre/mobile-apps.html>
