Twin Screws Marine Service Joins Mastry Suzuki RePower Centers Network

Mastry Engine Centers announced today that Twin Screws Marine Service in Fort Myers, Florida, is the latest authorized Mastry Suzuki RePower Center.

“We are pleased and proud to welcome Twin Screws Marine Service of Fort Myers as the newest member of the network of Mastry Suzuki RePower Centers,” stated Kevin Carlan, Mastry Engine Center’s President. “The company’s reputation for excellence and commitment to quality customer service makes them an ideal partner.”

Led by Jimmy and Christina Dailey, Twin Screws Marine Service has been serving the South Lee County and Collier County area's marine customers for nearly a decade.

"Jimmy and I are excited about becoming an authorized Mastry Suzuki RePower Center. We have even more opportunity to be of service to our marine customers," said Christina, Owner, Twin Screws Marine Service. "Our entire team is proud to be associated with the industry's most innovative and experienced network of professional Suzuki RePower Centers."

Twin Screws Marine Service is the South Lee County and Collier County area's premier full service mobile marine company offering the complete range of repair, refit and accessory services. Twin Screws Marine Service is also the area's preeminent Suzuki Repower facility. It is conveniently located at 16257 Tamiami Trail, Fort Myers, Florida. The Twin Screws' team provides its customers with the area's most experienced and expert team of factory authorized technicians.

"As the South Lee County and Collier County area's official Mastry Suzuki RePower Center, Twin Screws Marine Service understands that repowering a boat isn't simply swapping out your old outboards for new outboards. It takes advanced skills, thoroughly factory trained technicians and exceptional experience," explained David Taylor, Sales and Marketing Suzuki RePower, by Mastry Engine Center.

Suzuki Repower, by Mastry Engine Center

Suzuki Repower, by Mastry Engine Center, offers the industry's most innovative and dependable outboard propulsion systems, Suzuki Marine Outboards. Suzuki's dedication to creating the finest 4-stroke engine technology has made them unmatched in marine outboards. The result is the industry's largest and most formidable all-4-stroke lineup. From the mini-might 2.5 horsepower portable right up to the new flagship V6. Add to that, Yanmar Mastry Engine Center has been supporting the marine industry for over half a century, helping boat builders, boat dealers and retail customers find the perfect engine packages designed to best fit their needs and not stretch their budget.

Suzuki Repower, by Mastry Engine Centers, are stationed throughout Florida assisting customers with Suzuki service and propulsion needs. Their highly experienced, factory trained technicians use only genuine Suzuki rigging, parts and controls. All installations are water-tested to be sure the motor(s) are rigged correctly, at the proper height and they are propped perfectly for superior performance. In addition, Mastry offers the option of a financing program that is not linked to your boat title.
